Mr. Jackson violated the mandatory conditions by being in possession of methamphetamine on December 8, 2017. The following information is a summary of an incident report written by the Yakima Police Department (YPD) for case number 17Y053856.

On December 8, 2017, Mr. Jackson was arrested by YPD on the outstanding warrant for his supervised release violation. Mr. Jackson was searched incident to arrest and YPD discovered a small Ziploc bag that contained a white crystal-like substance in a pack of cigarettes located in the cargo pants Mr. Jackson was wearing. The substance tested positive for methamphetamine weighing .5 grams. New felony charges for possession of a controlled substance will be filed by YPD.

The U.S. Probation Office respectfully recommends the Court incorporate the alleged violation contained in this petition in all future proceedings with the violation previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
